Military Monday

Do you know the difference between Memorial Day and Veterans Day?

“Many people confuse [Memorial Day](#) and Veterans Day. Memorial Day is a day for remembering and honoring military personnel who died in the service of their country, particularly those who died in battle or as a result of wounds sustained in battle.

While those who died are also remembered, [Veterans Day](#) is the day set aside to thank and honor **ALL** those who served honorably in the military - in wartime or peacetime.

In fact, Veterans Day is largely intended to thank **LIVING** veterans for their service, to acknowledge that their contributions to our national security are appreciated, and to underscore the fact that all those who served - not only those who died - have sacrificed and done their duty.” https://va.gov/opa/vetsday/vetday_faq.asp

Middle Georgia State University will observe Memorial Day May 29, 2017 and will be closed.
