Dr. Christopher R.L. Blake, President
Middle Georgia State University
100 University Parkway
Macon, GA 31206

Dear President Blake:

At its Annual Meeting held July 15-19, 2024, the Accreditation Committee and the Board of Trustees of the Aviation Accreditation Board International (AABI) acted on the application for reaffirmation submitted by Middle Georgia State University (MGA) August 4, 2022.

I am pleased to advise you that the Board action was to reaffirm the following program for a period of five years with no interim reports required:

B.S. in Aviation Science and Management – Flight Track
(AABI Flight Education)

Enclosed with this letter is a public release policy, which has been excerpted from the AABI Policies & Procedures Manual. Please advise appropriate members of the faculty and staff of the necessity to adhere to this policy. A Certificate of Accreditation from AABI is also enclosed, along with a list of accredited programs.

On behalf of the AABI Board of Trustees, congratulations and thank you for the confidence that you have placed in AABI, and the commitment that you have evidenced toward quality aviation education through membership and successful application for reaffirmation. Since the accreditation of Middle Georgia State University will expire on July 31, 2029, we suggest that an application be submitted for reaffirmation no later than July 2027 to allow approximately 24 months for the reaffirmation process.

Please contact me if you have any questions.

Sincerely,

Julie Speakes, Ph.D., Interim President
