### Program Notes:
While substantial effort will be made to insure accuracy of the material stated herein, Middle Georgia State University reserves the right to change any provision listed in this program of study, including but not limited to academic requirements for graduation, without actual notice to individual students. Every effort will be made to keep students apprised of such changes. If these degree requirements diverges from or conflicts with University System of Georgia Board of Regents (BoR) policy, BoR policy will always take precedence.

1. A minimum grade of C is required to satisfy any pre-requisite requirements.
2. Essential Skills courses must be completed in the first 30 hours of coursework.
3. MGA students should plan to complete approximately 30 credit hours per year to complete this program in 4 years.
4. Before taking CLEP or DSST consult with your advisor prior to the exam to make sure it will fit in the degree program.
5. Additional directives: [http://www.mga.edu/testing-services/](http://www.mga.edu/testing-services/)
