

How to STOP receiving Brightspace texts

If you have your cell phone setup to receive notification from inside of Brightspace (D2L), below are the quick steps to disable notifications from being sent to your cell phone.

From the My Home page inside of Brightspace, look at the upper right-hand portion of the screen and click on the icon next to your name:

Click on Notifications, then you will see this screen:

On this screen, we have replaced your phone number with a blue box. Click on the trash can to remove your number then click on yes on the confirmation screen. Your cell phone will no longer receive notifications from Brightspace.
