

## Frequently Asked Questions By Alumni

**1. I received an email/postcard/phone call from a company asking for my personal information. They said they were working on a directory for Middle Georgia State University. Is this a legitimate project, or is it a scam?**

We have partnered with PCI (also known as Publishing Concepts) to produce our new alumni directory. PCI is a company located in Dallas, TX that publishes directories for educational institutions, fraternities, sororities and military organizations across the nation. This project allows Middle Georgia State University to receive important updates to our database so we know more about our alumni and how we can better serve you and future alumni.

Middle Georgia State University has a contractual agreement with PCI that states:

a. The names, addresses and information provided to PCI by Middle Georgia State University for the publication of the Directory will be held confidential by PCI, except to the extent that they are utilized in, or in the preparation of, the Directory and except as required by court order or law.

b. The Directory will be made available only to alumni of Middle Georgia State University. Upon completion of the project, PCI will return to Middle Georgia State University any and all electronic files that have been supplied by Middle Georgia State University or produced by PCI in connection with the production of the Directory.

**3. I would like to verify and update my information. How may I do this?**

If you have received a postcard or an email with a telephone number, you may call the number to speak with a dedicated representative for the Middle Georgia State University project. The representative will verify all the information we have on file for you and make any updates where needed.
