

Local Wal-Mart and Sam's Club donate to MGA Knights' Table

The Macon Sam's Club, Watson Boulevard Wal-Mart (Warner Robins), and Cochran Wal-Mart are making significant strides in supporting their local communities. Through the Wal-Mart Foundation, these stores have awarded \$2,000 in grants to the MGA Knights' Table, a vital resource for Middle Georgia State University students.

These funds will purchase nonperishable food and personal self-care items, ensuring the food pantry remains well-stocked and accessible to those in need. [The Knights' Table](#), with the support of these funds, continues to play a crucial role in alleviating the stress associated with food insecurity, providing students with essential support and peace of mind.

This initiative reflects the ongoing commitment of Walmart and Sam's Club to foster stronger, healthier communities by addressing immediate needs and promoting well-being among residents.
