- Episodic or acute illness.................................NO CHARGE
  - Fee(s) charged for labs/diagnostic testing, if required.
  - Medications/Injections available for certain treatment options as deemed necessary by NP, additional fees may apply.

Basic/Sports Physical:

- Basic head-to-toe exam, eye chart, Weber/Rinne..........................$30.00
  - Lab work for additional fees.
  - Immunizations for additional fee and based on availability.
  - Student responsible for any specific or required (physical) forms to be filled out at time of visit.

Family Planning Physicals (per ACOG guidelines)..........................$75.00

- **Option A: UNDER AGE 21**
  - Basic head-to-toe exam, breast exam, pregnancy test, urinalysis.
  - Prescription given for birth control, follow up in 3 months.
  - STD testing.
    *Option to waive STD testing will reduce fee to $50.00

- **Option B: AGE 21 OR OLDER**.................................$125.00
  - Includes all of Option A.
    - Plus GYN exam.

Those students with current Depo prescriptions that are in need of injection, may come to Clinic for injection (appointments are strongly suggested for this). Prescription must be current and student is responsible for bringing medication. Initial injection fee will be $10.00 (which includes required pregnancy test).
