Objective 1: What wa easurable, and achiev		this fiscal year? Objectives should be specific,
Continue to assist with the de	eployment of a new private contractor VoIP syste	em (E911, Teams configuration, and network configuration).

9. Objective 1: Detail specifically how your department measured this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort, etc)

The network office has been involved with the configuration of 3 specific components (jobs) of the new private contractor VoIP system. These components are the Network, Microsoft Teams, and E911.
10. Objective 1: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)
The target outcome for this objective was to complete 100% of the network configuration, 100% of the Microsoft Teams configuration, and 100% of the E911 configuration.
11. Objective 1: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)
The target performance level for this objective was to upgrade the existing Plain Old Telephone System (POTS) to a private contractor VoIP system. This new VoIP system is integrated with Microsoft Teams and utilizes Teams compatible phones.
12. Objective 1: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)
The network office has configured approximately 90% of the network, 90% of Microsoft Teams, and 90% of E911 for the new VoIP system.
13. Objective 1: Did your department meet this objective?
The department did not meet this objective.
○ The department met this objective.
○ The department exceeded this objective.
14. Objective 1: Improvement Plans and Evidence of changes based on an analysis of the results: What did your department learn from working toward this objective? What changes will you make based on this effort next year?

Documentation, planning, coordination, and testing are essential to successfully implement a new private contractor VoIP system. We will continue with this approach next year in order to achieve this objective.
15. Objective 2: What was this department's second objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.
Continue to upgrade nine network switches from end-of-life Cisco 6500E series switches to new Cisco C9400 series switches, nine APC 208V Uninterruptible Power Supplies (UPS), and nine APC 208V Power Distribution Units (PDU).
16. Objective 2: Detail specifically how your department measured this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort, etc)
The switch upgrade project is divided into two parts. The first part consists of upgrading six layer-3 core switches, six Uninterruptible Power Supplies (UPS), and six Power Distribution Units (PDU). The second part consists of upgrading three layer-2 building switches, three Uninterruptible Power Supplies (UPS), and three Power Distribution Units (PDU).
17. Objective 2: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)
The target outcome was to have the six layer-3 core switches, six Uninterruptible Power Supplies (UPS), and six Power Distribution Units (PDU) installed by July 2023 and three layer-2 switches, three Uninterruptible Power Supplies (UPS), and three Power Distribution Units (PDU) installed by July 2024
18. Objective 2: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)
The target performance level for the objective was to upgrade the existing 1 gigabit network backbone and 1 gigabit AP trunks to a 10 gigabit backbone with 5 gigabit AP trunks.
19. Objective 2: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)

50% (three) of the six layer-3 core switches, UPSs, and PDUs have been installed. 33% (one) of the three layer-2 switches, UPSs, and PDUs have be installed.
20. Objective 2: Did your department meet this objective?
The department did not meet this objective.
○ The department met this objective.
The department exceeded this objective.
21. Objective 2: Improvement Plans and Evidence of changes based on an analysis of the results: What did your department learn from working toward this objective? What changes will you make based on this effort next year?
Documentation, planning, coordination, testing, and patience are essential to successfully install the nine new switches, Uninterruptible Power Supplie (UPS), and Power Distribution Units (PDU).
22. Objective 3: What was this department's third objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.
Upgrade 6 remote Widows Server 2019 physical domain controllers to Windows Server 2022 physical domain controllers, and upgrade 2 Macon Windows Server 2019 physical domain controllers to Windows Server 2022 virtual domain controllers.
23. Objective 3: Detail specifically how your department measured this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort, etc)
The server upgrade project is divided into two parts. The first of which is upgrading the 6 remote physical domain controllers, and the second part is upgrading the 2 Macon virtual domain controllers.
24. Objective 3: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment

24. Objective 3: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)

The target outcome for this objective is to upgrade all 8 Windows domain controllers and virtualize the 2 Macon domain controllers.
25. Objective 3: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)
The target performance level is to upgrade all 8 domain controllers from Windows Server 2019 to Windows Server 2022.
26. Objective 3: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)
The achievement level for this objective is 100% for upgrading the 6 remote physical Windows domain controllers to Windows Server 2022 and 0% for upgrading the 2 Macon physical Windows domain controllers to Windows Server 2022 and virtualizing both.
27. Objective 3: Did your department meet this objective?
The department did not meet this objective.
○ The department met this objective.
○ The department exceeded this objective.
28. Objective 3: Improvement Plans and Evidence of changes based on an analysis of the results: What did your department learn from working toward this objective? What changes will you make based on this effort next year?
Documentation, planning, coordination, testing and patience are essential to successfully upgrade the 6 remote Widows Server 2019 physical domain controllers to Windows Server 2022 physical domain controllers, and to upgrade the 2 Macon Windows Server 2019 physical domain controllers to Windows Server 2022 virtual domain controllers.

29. Objective 4: What was this department's fourth objective for this fiscal year? Objectives should be specific, measurable, and achievable within one year.

Upgrade the old hardware on the existing High Availability Server Cluster to new hardware and upgrade the cluster to Windows Server 2022 by performing a rolling upgrade.
30. Objective 4: Detail specifically how your department measured this objective? (Survey, budget number, number of participants, jobs completed, measurable time and/or effort, etc)
This objective was broken down into two parts: acquiring three new Dell R640 servers, and then performing a rolling upgrade.
31. Objective 4: What was your target outcome for this objective? (1.e. 80% participation, 5% enrollment growth, 7% change in engagement)
The target outcome was to have 100% of the three servers ordered by June 2023, and 100% of the rolling upgrade completed by August 2023.
32. Objective 4: Provide details for your target performance level established (i.e. accreditation requirement, past performance data, peer program review, etc)
The target performance level for this objective was to upgrade the High Availability Cluster from Windows Server 2019 functional level to Windows Server 2022 functional level.
33. Objective 4: At what level did the department/area achieve on this objective? (This should be a number, i.e. 82%, 6%, 345 attendees, 75% engagement)
The High Availability Cluster upgrade is 100 percent complete.
34. Objective 4: Did your department meet this objective?
The department did not meet this objective.

• The department met this objective.

○ The department exceeded this objective.
35. Objective 4: Improvement Plans and Evidence of changes based on an analysis of the results: What did your department learn from working toward this objective? What changes will you make based on this effort next year?
Documentation, planning, coordination, testing and patience were essential to successfully complete the High Availability Cluster upgrade.
