Assessment Plan

How will a student know they are learning what they need to learn to be successful when they graduate?

Please identify which type of learning activity will be used to teach the learning goal. Also identify the learning objective associated with the learning goal being taught.

A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.

	Goal Statement	Assessment Types	Data Collection Points*	Target Performance
Learning Outcome 1	Students will identify appropriate research methodology and its limitations to answer psychological questions and choose the appropriate statistical analysis.	Multiple Choice Questions	End of Semester	Score of 70% or Above on Assessment.
Learning Outcome 2	Students will identify descriptions of major mental disorders as presented in the Diagnostic and Statistical Manual and choose appropriate treatment.	Multiple Choice Questions	End of Semester	Score of 70% or Above on Assessment.
Learning Outcome 3	Students will identify descriptions of the functions of the major structures of the brain and nervous system.	Multiple Choice Questions	End of Semester	Score of 70% or Above on Assessment.
Learning Outcome 4	Student's will describe the impact of cultural processes in cross-cultural psychological research and apply the findings.	Written Free Response Questions	End of Semester	Score of 70% or Above on Assessment.

^{*}Data collected for assessment purposes should be segmented by program location. Cochran, Macon, Dublin, Eastman, WR, or online students should be analyzed separately.

Curriculum Map

Where in a student's academic program will they be taught the content of each learning outcome and how will the content be taught?

Please identify the method of instruction (i.e. case study, lecture, experiential instruction, team activity, writing assignment, quantitative exercise) used to teach the learning outcome in courses required in the major. Not all major courses need to teach all learning outcomes.

Major Course	PSYC 3002	PSYC 3265	PSYC 3401	PSYC 3201		l.	l.	
LO1	Lecture, Writing assignments, Experiential Instruction							
LO2		Lecture, writing assignment						

LO3		Lecture, Practice Questions				
L04			Lecture, Writing Assignment
