

POLICY: Financial Aid recipients who become ineligible for funds by not attending at least one class session must be reported as a No-Show. When these and the out of pocket paying students are not reported as a no-show in an accurate and timely manner by NS scheduled deadline, both the University and the student may incur fiscal liability for the portion of the award that the student is no longer eligible to receive.

Please be reminded that only students who have never attended a single class (or in the case of an online class, where the student has no documentation of class participation) should be reported as a no-show. If a student attends one class but is no longer attending, DO NOT report that student as a no-show.

Faculty reporting will begin after drop/add and after a student has attended at least one class session.
